

Amelia's F-Class Fundraiser

I am a high school student going to the F-Class World Championships for the first time in England in August 2026. I will be the only shooter under the age of 25 on the Canadian F-Open National Team. I won the 2025 Ontario F-Class Lt. Governor's Championship (long range aggregate).

Ongoing Bottle Drives

I will be collecting empty alcohol containers from the West end of Ottawa.

Collection will continue until end July 2026 (*or until the Beer Stores near me close*).

Please email me to schedule a pick-up.

Monetary donations also graciously accepted.
They can be made through my website.
